The chart reflects the **common policies** of Alberta's universities and private university colleges in recognizing courses taken in other provinces that are acceptable for admission purposes in lieu of Alberta 30-level courses. The information is **subject to change without notice**. The chart is **not** exhaustive. Other courses may be accepted for admission purposes. The chart refers to courses offered during the current **school year** and is not a cumulative or historical table. Courses completed in prior years may be acceptable for admission purposes. The chart is advisory only and is intended for information, particularly for high school educators. For information on acceptance of out-of province courses, contact Admissions Office at Grande Prairie Regional College.
