# MOTORCYCLE MECHANIC CERTIFICATE

Love the sound of a finely tuned engine? Picture yourself in an exciting career as a Motorcycle Mechanic! As a Motorcycle Mechanic, you will repair and maintain many different models of street, off-road, and dual sport bikes. This popular program provides the experience required to land your first job.

## MOTORCYCLE MECHANIC CERTIFICATE

### OFFERS:

- ▶ Training in motorcycle charging, starting/ignition systems, four-stroke tuning, top end diagnosis, inspection/reconditioning procedures, transmission, crankshaft repair and more. You will also be able to recognize and interpret parts.

### EARN TRAINING FOR:

- ▶ Entry level employment using the skills, experience and knowledge that you gain.
- ▶ Entry into Apprenticeship programs.

## ADMISSION REQUIREMENTS

- ▶ At least 16 years old
- ▶ Meet the educational requirements for the trade:
  - English 10-1, English 10-2 or equivalent
  - Math 10-C, Math 10-3 or equivalent

Students should be aware that some employers may require a high school diploma as a prerequisite for employment.

Mature students lacking the educational requirements may also be admitted with a successful Entrance Exam.

## SELECTION CRITERIA

Demand for this program is very high. An interview may be required to determine suitability. Preference will be given to those who:

- ▶ Have academic achievement beyond stated prerequisites
- ▶ Are actively involved in activities related to this field
- ▶ Can supply references documenting their experience, involvement, or potential in this field

## PROGRAM LENGTH

One Year Certificate Program – 28 Weeks Duration

- ▶ First Semester (Fall) – 16 Weeks
- ▶ Second Semester (Winter) – 12 Weeks

## APPRENTICESHIP OPPORTUNITIES

Students who successfully completed an Apprenticeship Prior Learning Assessment (PLA) in each semester will have the opportunity to challenge Alberta Apprenticeship and Industry Training (AIT) 1st period (first semester) and 2nd period (second semester) Motorcycle Mechanic Exams. After graduation to register for technical apprenticeship training you must be indentured as an apprentice and eligible for training. Typically, you would be employed full-time with a company and have signed a contract of apprenticeship that is registered with AIT. Contact AIT: [tradesecrets.alberta.ca](http://tradesecrets.alberta.ca) or 1-800-248-4823.

## GRADUATION

Students must complete all required courses with a grade point average of no less than 2.0 and no failing (F) grades.

## COURSE COSTS

The Motorcycle Mechanic Certificate's estimated tuition plus books and fees for the 2021-22 year are \$5,895 for the 28 weeks of training. All costs are subject to change.
