Student Responsibilities:

Participation:

Each student is expected to come to class on time. Arriving late is disruptive to the entire class. The expectation for this course is that students have read the material and attempted the exercises and problems we will cover in class. Reading and practicing problems prepares you for classroom activities. Participation marks will be based on the contribution you make in class. Both quantity and quality of your contribution will be considered.

Time Management:

Adopting and adhering to effective learning habits in this course will likely take up a great deal of time so plan your schedule accordingly. It is difficult to catch up once a student falls behind in readings and problems.

Cell Phones:

The use of cell phones during class time is unprofessional and distracting to the instructor and fellow students. Texting during class is therefore strictly prohibited. Cell phones must be either **turned off** or set to *silent* mode.

Statement on Plagiarism:

Plagiarism will not be tolerated and, as such, any submitted work may be investigated for this possibility. Please ensure you read and understand the College's policy on plagiarism as published in the 2011/2012 Calendar.
