- Assignments will be handed in at the beginning of class on the due date. The penalty for late submission will be **20%** per day. Assignments should be considered as professional submissions/presentations that would be prepared for either a supervisor or client. Therefore assignments should be neat (but not necessarily typed or computer generated), should contain proper spelling and grammar, and should be in the appropriate format for accounting information or statements. Marks will be deducted if an assignment does not meet the above criteria.
- Quizzes will be given throughout the year. It is anticipated that there will be 2 quizzes.
- Calculators and approved translation devices are the only electronic devices allowed during quizzes, tests or examinations.
- Major tests are tentatively scheduled for Feb 18, 2011 and March 25, 2011.
- Final examinations will be written in the gym and scheduled by the Registrar during the period April 14 – 27, 2011. **DO NOT PLAN ANY ACTIVITIES DURING THIS PERIOD.**
- Quizzes and exams will be written as scheduled. No rewrites will be given on missed quizzes or midterms. If there is an excusable absence the weighting of the missed quiz will be added onto the final exam weighting.

Student Responsibilities:

Professionalism:

Each student is expected to come to class on time. Arriving late is disruptive to the entire class. The expectation for this course is that students have read the material and attempted the exercises and problems we will cover in class. Reading and practicing problems prepares you for classroom activities. Professionalism marks will be based on the contribution you make in class. Both quantity and quality of your contribution will be considered.

Time Management:

Adopting and adhering to effective learning habits in this course will likely take up a great deal of time so plan your schedule accordingly. It is difficult to catch up once a student falls behind in readings and problems.

Special note on cell phone use: Use of a cell phone during class is prohibited. It is distracting to both your classmates and instructor.

Statement on Plagiarism:

Plagiarism will not be tolerated and, as such, any submitted work may be investigated for this possibility. Please ensure you read and understand the College's policy on plagiarism as published in the 2010/2011 Calendar. If you have questions on whether or not you might be violating this policy, please discuss this with your instructor before you submit your assignment.
