<b>TEXTBOOK</b>	Macionis, Clarke, and Gerber: <b>SOCIOLOGY</b> (Canadian Edition), Prentice Hall, 1994
<b>CALENDER DESCRIPTION</b>	An examination of the theory, and substance of Sociology. The study of how societies are shaped, including culture, socialization, deviance, stratification, and groups. Also, the process of social change through social movements, industrialization etc.
<b>OBJECTIVES</b>	<p>This course is designed to be an introduction to a field of knowledge called Sociology. There are no formal prerequisites for this course, and it is hoped this course will inspire students to explore the field of Sociology further.</p> <p>The basic assumption of this course is: the greater the understanding of social structures and processes, the greater the individual's ability to achieve personal goals.</p> <p>It is hoped this course will encourage the students to:</p> <ol style="list-style-type: none"><li>1. realize how social structures shape the way individuals act, feel, and think.</li><li>2. acquire a repertoire of terms, methods, and theories of Sociology.</li><li>3. acquire a more objective understanding of their own society, and their own lives.</li><li>4. realize the variety of cultural values that exist in Canadian society.</li><li>5. discover practical applications of Sociology.</li></ol>
